

**TRIDENT**

## About Us.

Trident are a multi faceted management team with a wealth of experience in all areas of construction and development.

From Concept to completion, we provide turnkey management options for your project. With over 30 years experience our team has successfully delivered schemes of all sizes within the residential, commercial, leisure, industrial, marine and wellness sectors. Whether it's a singular individual or a full team; we have the right management solution for your project.

## Our Services.

MAPM accredited Project Management, both client side and site based for pre and post contract duties.

MRICS Quantity Surveying for cost management and general commercial support. Both client side and site based for pre and post contract duties.

- CDM Coordinator and compliance personnel • Employers Agent duties
- Clerk of works duties.

Unique portfolio creation service for aspiring Landlords or developers. Location, acquisition, development and delivery of a turnkey service for commercial or private clients.

Specialist design and management of wellness , swimming pool projects and facilities . Both on a residential and commercial scale.

We specialize in the delivery of distressed schemes where circumstances have led to the removal or loss of a contractor.

We work with administrators, high street banks and individuals to deliver the asset and reduce our customers loss and liability.
